Hi Nathan,

I just got back into town and saw your email, so I'm resending the ProUCL summary that I sent out on June 26th. It's possible that It did not get throughout system (that happens sometimes), so please confirm receipt of this email. Please let me know if you need any additional information.

Regards, Linda

Subject: Pechiney - PCB ProUCL Summary and Files

Hi Nathan and Carmen,

For Pechiney, please find attached the requested ProUCL summary letter (assumptions included) with attachments and the backup files (input and output). The evaluation was completed for the North parcel and South Parcel for soil between 0 and 15 feet.

Please let us know if you need any additional information for the ProUCL calculations/backup files.

Thank you, Linda
